On behalf of the MSU Teaching Awards Committee, congratulations to all nominees and recipients

The MSU Teaching Awards Committee is designed to recognize and encourage excellence in teaching at McMaster University by awarding MSU Teaching Awards on behalf of all MSU members. The committee consists of volunteers and elected MSU/SRA members, who will assist you with the nomination process and planning of the ceremony at the end of the year.

This year, the nomination periods are November 5-16 and February 4-15. Check this page during those weeks for the online nomination form!
